

Real Wood has warmth and character that can't be reproduced in metal or plastic. The feel of a wood finish on the inside of your garage brings the warmth of your home to your driver's seat.

We want to be your choice for quality all-wood garage doors. Whether your home is \$200,000 or \$20 million, we can serve you. We earnestly desire your rave review, and we'll do everything we can to earn it!

## HOMEOWNERS

We work on your behalf.  
Whether you buy direct, or  
through a builder, we provide you with a product  
that exceeds and outlasts everyone's expectations.

Sure, everyone says they're the best, but take a  
look at our work and see for yourself why we  
are chosen for the most prestigious projects.

## BUILDERS, DESIGNERS, ARCHITECTS, REMODELERS

You can rest knowing that you are  
buying a product at a great price that  
steps above the industry. Your customers will know that you are  
truly quality conscious and have their long-term interests at heart.
